PRODUCTION SCHEDULE

A production schedule is available on the Rail Events Productions website. Please refer to this schedule and list any conflicts you have. Note that actors are divided into three different cast colors (Red, Green, or Blue). These casts will work on a rotation system with two cast colors working per show day. Although actors will not work every performance day, we are seeking actors with full availability for the schedule.

Please list any rehearsal or performance conflicts below. If you don't have any, please write 'NONE'.

CONFLICTS:

SWINGS:

There are 3 swings per cast color. Swings are always called when their assigned cast color is called. They are ready to go on for a number of different roles and do so on most days. They may also perform when friends and family are in attendance. Because swings are responsible for covering multiple roles, there is an increase in pay for swing actors.

Would you accept a swing position? Yes No
